

Coming Together to End Gang Violence

DEALING WITH THE THREAT OF CRIMINAL STREET GANGS

American Police Beat Presents

Enforcement alone might make for good arrest numbers but it won't make a neighborhood safer. **American Police Beat's** new DVD for police professionals details the "out of the box" approach in Southern California that is producing remarkable drops in crime. Featuring Angeles County Sheriff Lee Baca,

LAPD Chief Charlie Beck, Attorney Constance Rice, and former LAPD Chief Bill Bratton. Find out how frustration about the growing problem of gang crime turned adversaries into partners in the hopes of improving public safety and the quality of life for everyone in the county and city, especially the kids.
