NASSAU COUNTRY CLUB

PROCEEDS TO BENEFIT THE NYC PBA WIDOWS' AND CHILDREN'S FUND

Dear Family and Friends:

We invite you to support the PBA's commitment to help maintain the financial viability of our Widows' and Children's Fund. As you know, the nature of police work can result in some of our members being called on to make the supreme sacrifice. When these tragedies occur those of us in the police community rise to the occasion to make sure our fallen members and their families are not forgotten. The fund has several family get-togethers throughout the year, sponsors a famous and celebrity-studded Christmas party, and provides financial assistance toward tuition bills. Currently there are 130 widows and 61 children in the program.

We ask you to support this important endeavor by supporting the PBA's first annual Widows' and Children's Golf Outing. Enclosed are materials to facilitate your contribution at various economic levels.

We hope you can attend the event and support this very worthwhile cause.

Sincerely,

A handwritten signature in black ink that reads "Patrick J. Lynch". The signature is written in a cursive, flowing style with a large initial "P" and "L".

Patrick J. Lynch, President
